It's hip and trendy, yet in a vintage sort of way.

It's high-tech and laid-back. It's politically charged and culturally rich. It's eclectic by nature and creative by design. Most of all, it's a place where people like to have a good time.

### Our city has a rhythm on its own.

It's full of energy, yet laid back. It has a sense of humor, but it also knows how to get down to business. That's what

makes Austin the perfect place to hold a meeting or convention. It has all the amenities you'll need for work and everything you'll want for play. Walk out of your hotel room to live music venues, exciting entertainment districts, distinctive dining options and so much more. You'll be in the Austin state of mind before you know it.
